User Guide

Inside the bag

You will find the following inside the bag:

- 1 Cross Bar (Beam)
- 2 Poles
- 2 Weighted Rubber Bases
- 2 Base / Pole Retention Pins

Description

Limbo-By-Design is intended for use on a flat, level surface and can be used outdoors.

All tubing is protected with end caps and corded together into pole and cross bar (beam) components.

The limbo set must be supervised while in use at all times.

All parts can be cleaned with a damp cloth.

All screws are pre-tensioned and should not be adjusted.

Storage

The product should be stored in a clean, dry area, moisture will effect the reliability and appearance of the product.

Customization

The bars may be painted, covered in stickers or vinyl by any competent person. Removal of any components during this process would void the warranty. All screws are pre-tensioned and should not be adjusted.

Specification

Height when assembled 1.35m. (53")

7 Heights from 1.3m to 460mm at 140mm intervals.

Rubber base 210mm (8¹/₄) diameter.

Cross bar (beam) 1.7m (5' 7") long.

Tube diameter 19mm (3/4")

Packaged weight 4.15kg

Limited Warranty Policy

What is covered

The warranty covers manufacturing defects only. The liability of Entertainment-By-Design is limited to the cost of repair and/or replacement of the product under warranty. The warranty is invalidated if the defect is caused (howsoever) by misuse, neglect, and tampering or incorrect adjustment. It is invalidated if unauthorized persons carry out any alterations and/or repairs.

For how long

The Entertainment-By-Design Limited Warranty lasts one (1) year from the purchase date of the product.

Legal

Entertainment-By-Design is not liable for damage to property or injury to users by the Limbo Set howsoever caused. It is the owners responsibility for safety and management of the Limbo Set use.
